

# Cartoon Camp (6-12yrs)

## Camp Overview

Join us this summer for a fun, introductory drawing course for children who are interested in cartooning and the visual arts, and would like to take their skills to the next level. With a focus on character development, the camp includes drawing activities utilizing a variety of drawing techniques and mediums that build on each other to create a final product. Two age group camps are available.

A Camp Newsletter is emailed to families the week before camp meets.
